## 2. Risk Analysis

- **Product Safety (GPSR)** This risk analysis is based on the provided data. The following assessment assumes proper use of the product. When used correctly, there is no risk.
- **Disclaimer** Use at your own risk – no liability:  
Please note that the 3D-printed door handle for the VW Lupo and Seat Arosa is a custom tuning or accessory part. This part does not have a General Operating Permit (ABE) and is not TÜV-approved.  
I assume no liability for any damages or consequences resulting from the use of this non-certified part. Usage is at your own risk. I recommend checking local regulations and laws regarding the use of non-approved parts in road traffic.
